SUBJECT: PAGE CHANGE TO THE 304 CONCRETION FACILITY CLOSURE PLAN

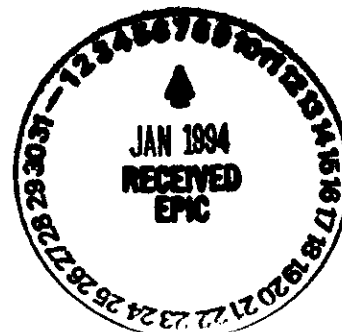

Attached are page changes to the 304 Concretion Facility Closure Plan, Revision 2. The new pages include sub-section lead in paragraphs missing from Revision 2. These changes resulted from a reformatting of the document and were not identified during the final review. There is no change to the technical content of the closure plan.

The replacement pages are: 7-1 / 7-2; 7-11 / 7-12; and 7-17 / 7-18.

You are requested to replace these pages in your copies of Revision 2 as follows:

- S. E. McKinney, Ecology (copies 1, 2, 3, 4)
- D. C. Nylander, Ecology (copies 5, 6)
- D. L. Duncan, EPA (copies 7, 8)
- L. E. Michael, WHC (copy 9)
- O. M. Holgado, RL (copy 11)

Please call me if you have any questions.
